SCOPE BLN
European Artists-in-Residence

Do we live in Europe of Brexit and the COVID-19 pandemic crisis or are we part of a community with common values and shared solidarity?

The open call is intended for artists working in the fields of contemporary painting, sculpture, installation, multimedia, film, photography, performance or multidisciplinary forms without any restrictions on their age and gender. **The only condition is that they live and work in Europe.**

What are the requirements?

- Interest in Berlin art scene
- Awareness of community requirements
- Good knowledge of English or German

How to apply?

Send your application letter, CV and portfolio (max 2 MB) to air@scopebln.org

Application deadline:

November 9, 2020

Please note: The jury will evaluate the applications and announce the results 3-4weeks after deadline.
